

THE DAPPER DRIVE

Style Guide

Summer 2017

**LOOK GOOD.
FEEL GOOD.
PLAY GOOD.**

Suit Supply jacket, shirt, tie. AG Green Label trousers.
Allen Edmonds oxfords. Douglas Rose golf bag.

When The Dapper Drive was born two years ago, the mission was twofold.

First, I wanted to share our travels to golf courses across North America and beyond, highlighting the experiences at each while encouraging you to set out on golf travel adventures of your own. And second, I wanted to inspire on-course fashion by showcasing the most stylish brands in golf.

My interest in men's style began in my high-school days, but really blossomed after moving to New York City for a few years in 2009. Over the past decade, "look good, feel good, play good" is a mantra I've chosen to live by, and one I truly believe transcends the links. The way we choose to dress sends a message to those around us and spans much further than the obvious superficial motivation. Style offers a means to present yourself to the world and offers a respectful nod to the venue or occasion.

In this light, I introduce to you
The Dapper Drive Style Guide.

The Style Guide is a collection of our favorite golf brands, looks and accessories for Summer 2017. It's a lookbook of sorts, meant to show you what we're diggin' while also offering up some inspiration for your own closet. In the pages to follow, you'll find five feature looks, with a number of other stylish pieces scattered throughout, each meeting our desire for great fit, function and design.

Style, my friend, is a choice.
Choose wisely.
